Global sales Data analysis
Project Details
Shopping online is currently the need of the hour. Because of this COVID, it's not easy to walk in a store randomly and buy anything you want. So, try to understand a few things like, Customer Analysis and Product Analysis of this Global Super Store.
Project Objectives
Know fundamental concepts and can work on IBM Cognos Analytics.
Gain a broad understanding of plotting different visualizations to provide a suitable solution.
Able to create meaningful Visualizations and Dashboard(s).
